Subject: Re: Working Group Mtg. Nov. 13

Jennifer - Thanks for setting up a meeting. We will have copies of the full technical report available for everyone who would like one, as well as a citizen summary. We also plan to have Sara Miller, from CDPHE's Prevention Programs, attend the meeting to discuss some of the cancer screening and prevention programs they are working on and possible outreach for VB70 neighborhoods. Thanks, Jane

Hi. The State of Colorado is ready to release the Final Cancer Study for the VB/I70 area. We're going to have a Working Group Meeting to discuss the report. Jane Mitchell will present the findings to us.

If

any of you have other agenda items you would like to add to the meeting,
just let me know, and we'll add them.

Mark your calendars for Thursday, November 13 from 9 - 11ish at the Swansea Rec. Center.

See you there.
